

Enjoying Your Enhanced
Vacation Options

USAGE OPTIONS offer even more flexibility!

Now that you have enrolled your Marriott Vacation Club® week(s) in the Marriott Vacation Club Destinations™ Exchange Program, your new usage options bring added flexibility and versatility to your vacation experience, while your annual Club Dues provide the added convenience of combining most of the fees into one easy payment. This guide will help you understand and maximize each of these choices:

1. **Vacation at your Home Resort** within the season you own, and take advantage of special reservation options, if applicable.
2. **Experience new destinations** when you exchange your week through Exchange Partner Resorts provided by Interval International®, and enjoy vacations at hundreds of affiliated resorts in dozens of locations worldwide.
3. **Enjoy the flexibility of Marriott Rewards®¹** and explore other vacation options available when trading for Marriott Rewards points, such as hotel stays and frequent-flier miles.
4. **Participate in the Marriott Vacation Club rental program.**
5. **Elect Vacation Club Points** and redeem these Vacation Club Points for a vacation at one of more than 50 Marriott Vacation Club resorts; or use them within the Explorer Collection for exciting and unique adventures, cruises and tours.

With all this flexibility, you have virtually limitless vacation possibilities!

¹Some Marriott Vacation Club Destinations Exchange Program Enrolled Owners will be unable to trade their usage for Marriott Rewards points. Your eligibility to trade your week(s) for Marriott Rewards points depends on factors such as when you purchased your week(s); where your week(s) is located; and whether you purchased your week(s) from Marriott Vacation Club International or from an approved broker. If you have any questions about whether your week(s) is eligible to trade for Marriott Rewards points, visit My-VacationClub.com or contact your Vacation Ownership Advisor Team.

1. Vacation at your HOME RESORT.

If you plan to enjoy a vacation at your Home Resort (within the season you purchased), be sure to reserve your vacation as early as possible:

If you're a single-week Owner, you may reserve at your Home Resort up to 12 months before the first check-in date of the week you plan to stay. (For example, to request an arrival date of December 15, 16 or 17 of 2017, all three check-in dates will be available at 9 a.m. Eastern Time on December 15, 2016.)

If you're a multiple-week Owner reserving at least two weeks consecutively or concurrently, you may check availability 13 months prior to the first check-in date of the week you plan to stay.

You can view your Home Resort's seasonal calendar, view when inventory is available to reserve, and make reservations at My-VacationClub.com.

Special Reservation Options

The process to reserve special reservation options remains the same at your Home Resort, and each must be used within your season. Special options include:

Lock-Off² – Turn one week into two by dividing your full villa into two separate accommodations—a master suite and a deluxe guestroom. You can use each portion at a different time.

Split-Week – Break your week into two shorter vacations: a 3-night weekend stay and a 4-night midweek stay. Arrival dates vary by resort.

Please note: We always do our best to match Lock-Off and Split-Week special requests; however, there is no guarantee that the second half of your request will be matched and confirmed. In the event that no match is found, it is possible that you may lose a portion of your ownership week.

²Not all resorts have Lock-Off units

2. Explore the world through EXCHANGE PARTNER RESORTS.

Want to try a new destination outside of Marriott Vacation Club Resorts? Through Exchange Partner Resorts, you have the option to exchange through our external exchange partner, Interval International, and enjoy hundreds of affiliated resorts in dozens of locations worldwide.

To request an exchange, contact your Vacation Ownership Advisor Team at 888-MVC-4VOA (888-682-4862), who will assist you with depositing a week from your Home Resort with Interval International.

Please note: When exchanging with Interval International to an affiliated resort, external exchange fees apply and will need to be paid at the time the request is placed.

Once your request is placed, Interval International will work to confirm your vacation. You will have until two years after the beginning of the week that is deposited to complete your exchange travel. (For example, if the week of December 16, 2017, is deposited with Interval International, you will have until December 16, 2019, to complete your vacation.)

3. Enjoy the flexibility of MARRIOTT REWARDS³.

You may continue to trade your week for Marriott Rewards points to redeem for hotel accommodations, airline frequent-flier miles and much more. Trading for Marriott Rewards points is easy:

1. Determine when your week/s is/are eligible to trade for Marriott Rewards points.
2. Log on to My-VacationClub.com by December 31 of the year prior to the year you choose to trade for Marriott Rewards points. (If you would like to trade your 2017 week for Marriott Rewards points, do so by December 31, 2016. You will receive your Marriott Rewards points in January 2017.)

To explore this option, visit My-VacationClub.com, or call your Vacation Ownership Advisor Team at 888-682-4862.

³Visit MarriottRewards.com for details. The Marriott Rewards program is subject to change without notice.

Access to Marriott Rewards is subject to the Marriott Rewards Terms & Conditions and the terms and conditions as outlined in the applicable Marriott Vacation Club Destinations Exchange Program documents. Actual participating resorts and hotels are subject to change. The Marriott Rewards program may be discontinued at any time. Some Marriott Vacation Club Destinations Exchange Program Enrolled Owners will be unable to trade their usage for Marriott Rewards points.

4. Make your villa available for rent.

The Marriott Vacation Club rental program may offer a convenient option for Owners of U.S. and Caribbean resorts who can't use their vacation weeks and don't want to rent their weeks themselves.

Here's how it works:

1. You request a rental offer.
2. A rental offer will be extended to you, if your week is accepted into the program.
3. You accept the offer by returning the completed rental agreement we'll provide you.
4. We mail you a check after receiving your signed agreement.

To explore this option, visit [My-VacationClub.com](https://www.marriott.com/vacation-club), or call your Vacation Ownership Advisor Team at 888-682-4862.

5. Elect VACATION CLUB POINTS to enjoy other Marriott Vacation Club resorts or exciting adventure travel packages.

As an Enrolled Owner in the Marriott Vacation Club Destinations Exchange Program, you may elect to redeem your week(s) for Vacation Club Points in order to experience other Marriott Vacation Club resorts, or unique adventures, cruises and tours through the Explorer Collection.

As an Enrolled Owner, your Use Year begins on January 1 and ends December 31 each year. This is the period of time when you may use your Vacation Club Points for vacations. For example, you may use your 2017 Vacation Club Points for Vacations which occur between January 1 and December 31, 2017.

Each year you wish to elect Vacation Club Points, you must do so within the time frame indicated on the following page. You may select this option by logging on to My-Vacationclub.com, or contacting your Vacation Ownership Advisor Team at 888-682-4862.

⁸Marriott Vacation Club resorts in Asia are currently only available through an internal exchange with Interval International. Therefore, the Marriott Vacation Club Destinations Exchange Program cannot guarantee specific resort choices, dates of travel, or types or sizes of accommodations. The earlier an exchange is requested, the better the possibility that a specific request through the Marriott Vacation Club Destinations Exchange Program may be confirmed.
