

## Home Resort Reservations

One of your options, as a Marriott Vacation Club Owner, includes reserving vacations within the season you own at your home resort.

We would like to remind you of the reservation procedures for home resort reservations.

### **12 month reservations:**

One week reservations can be made as early as 12 months prior to the first check-in day of the week you would like to stay beginning at 9:00 a.m. Eastern Time. For example, if your home resort allows check-ins on Fridays, Saturdays, and Sundays, and you would like to check-in on July 15<sup>th</sup>, 16<sup>th</sup>, or 17<sup>th</sup>, 2016: all three check-in days are available to reserve beginning on July 15<sup>th</sup>, 2015.

### **13 month reservations:**

Multiple-week Owners reserving at least two weeks together, consecutively, or concurrently, may make a reservation beginning as early as 13 months prior to the first check-in day of the week you would like to stay beginning at 9:00 a.m. Eastern Time. For example, if your home resort allows check-ins on Fridays, Saturdays, and Sundays, and you would like to check-in on July 15<sup>th</sup>, 16<sup>th</sup>, or 17<sup>th</sup>, 2016: all three check-in days are available to reserve beginning on June 15<sup>th</sup>, 2015.

### **Tips:**

The first day inventory is available to reserve may not always fall on same day of the week as previous years due to factors such as leap year; specific check-in days your home resort allows; and closures at Owner Services (when Owner Services is closed, or inventory for the 13 month date occurs on a Sunday, inventory is released on the following business day). Therefore, it is a good idea to check the [inventory release calendar](#) for your home resort to understand the first day when you can make a reservation.

As always, home resort vacations are available on a first-come, first-served basis, and cannot be guaranteed for a specific date. We advise you to make reservations [online](#) at to avoid potential hold times, particularly on popular inventory release dates.
